Filing Fees and Deadlines

Missouri does not have a mandatory law student registration. Law students may, however, seek an early character and fitness determination by filing the Application for Character and Fitness Report during first or second year, but prior to last year, of law school. Otherwise, the Application for Character and Fitness Report and Application for Bar Examination must be filed concurrently. Bar exam application must be filed by **October 1 for February exam** and by **March 1 for July exam.**

Late filing with additional fee allowed until December 31 and May 31 respectively. Depending on postmark date, fees for an early character and fitness determination range and for applying to take the bar exam range from **$485 to $1470.** Visit [https://www.mble.org/fee-schedule](https://www.mble.org/fee-schedule) for current fee schedule.

Grading and Results

A total weighted scaled score of 260 out of 400 is required. The MBE is weighted 50%, MEE scores are weighted 30%; and MPT scores are weighted 20%.

Reciprocity

**Admission on Motion**
Admission without exam possible if applicant has practiced 5 of last 10 years in a jurisdiction admitting Missouri attorneys without exam. Applicant must be a graduate of an ABA accredited law school.

**Acceptance of MBE Score**
Applicant may transfer any MBE scaled score from another jurisdiction provided: the applicant has not previously failed the Missouri bar exam; the transferred MBE score was attained within the 19 months preceding the Missouri exam; applicant passed the entire bar in one administration in the transferring jurisdiction; and applicant has been admitted and is licensed to practice law in the transferring jurisdiction. Acceptance of MBE score does not create a Uniform Bar Exam score for future licensing in other Uniform Bar Exam states.
