## Traffic and Impaired Driving Law Program

This annual CLE program is designed to provide information specific to traffic and impaired driving law in a cross-disciplinary setting. The Resource Center on Impaired Driving has intentionally developed this program to include prosecutors, law enforcement officers, policy makers, and other interested parties who work within the impaired driving arena. Thus, the Program Agenda features a diverse range of speakers to represent different vantage points. Attendees appreciate the mix of topics and people to provide different points of view on an issue of statewide importance.
