University of Wisconsin Law School
Application for Admission

EARLY DECISION AGREEMENT

(All Early Decision applicants must read and sign this form)

The University of Wisconsin Law School's Early Decision Program provides a way for applicants who know that Wisconsin is their first choice for law school to receive an admission and scholarship decision much earlier than if they were to proceed through the regular application process.

Early Decision applicants may be admitted, denied (not able to continue in the current year's application cycle), or held for consideration in the regular rolling admissions process. Successful Early Decision applicants will be notified of merit scholarship awards within four (4) weeks of their admission. This award may or may not be your final award, but it is the minimum amount of merit aid you will receive. Thus, the applicant should be in a position to commit to attending Wisconsin even though they will not have a complete financial aid package at the time of their admission decision.

It is important to recognize that the benefits associated with admission under Wisconsin's Early Decision Program are accompanied by a reduction in law school choice. Applicants wishing to be considered as a candidate for the Early Decision Program must comply with the following requirements:

- Applicants must submit this Early Decision Agreement and all application materials no later than November 15, 2011. This means that the file, including the CAS report, must be received by the Admissions Office no later than 11:59 p.m., C.S.T.
- Applicants may not apply for early decision consideration at another law school.
- Applicants must agree that if admitted to Wisconsin under the Early Decision Program, they will withdraw their applications from all other law schools.
- Applicants may not initiate additional law school applications once notified of their offer of admission to Wisconsin.

Applicants who meet the requirements for Early Decision consideration will be notified by December 15, 2011. Applicants who are not admitted under the Early Decision process are not bound by this Early Decision Agreement.

Applicants can email a signed copy to admissions@law.wisc.edu no later than 11:59 P.M. Central Standard Time on November 15, 2011, or mail it to 975 Bascom Mall, Madison, WI 53706 and must be postmarked by November 15, 2011.

By signing below, I acknowledge that I am applying for Early Decision admission. I have read, understand and agree to comply with the terms of this Early Decision Agreement.
