

## **Welcome to Legal Research & Writing I (section 9)!**

Professor Weigold

For our first class, please read chapters 1 and 3 in the Coughlin textbook.

Chapter 1 gives an introduction to the kind of objective/predictive legal writing we will do this semester, and chapter 3 will help you become a more critical and efficient reader of legal sources like statutes and cases (in any of your law courses).

Let me know if you have questions ([weigold@wisc.edu](mailto:weigold@wisc.edu)). I look forward to meeting all of you on September 5, 2019, in room 3253!
