

1986 Annual Fund Drive Report

David G. Utley, Vice President, UW Foundation
Director of Development, Law School

A close reader of the Gargoyle may be excused for experiencing a sense of *deja vu* when turning to this page. After all, it was only two issues ago (Summer 1987) that we published another honor roll of contributors to the Law School. That honor roll, admittedly appearing somewhat late in the day, listed donors to the 1985 Annual Fund. As Edward J. Reisner, Executive Director of the Wisconsin Law Alumni Association, explained in his preface to that report, the custom of having both the WLAA and the University of Wisconsin Foundation serve as recipients of gifts for the Law School meant that two separate lists of donors had to be combined in order to prepare an honor roll. That took time, and resulted in some delay in publishing the names of those alumni and friends who have supported

the School so generously.

Last fall we initiated the policy of asking all contributors to send their gifts for the Law School directly to the UW Foundation. The Foundation has for many years held the Law School's endowment and special purpose accounts. By having annual fund gifts directed there as well, we will be able to provide an overall report of gifts and contributors more quickly. During 1986 gifts continued to be received by both the Law Alumni Association and the Foundation. With the phase-in of the new procedures in 1987, reports of development activities will be consolidated and more readily available. A report of 1987 fund raising results should be ready for distribution early in 1988.

But now we want to thank the over

2300 generous alumni and friends who contributed to the Law School in 1986. As you can see from the accompanying figures, the number of gifts rose from 1465 to 2307, an increase of 57%. The dollar amount contributed totaled \$616,610. This was less than the amount received the previous year, but one should recall that 1985 was the final full year of our very successful endowment campaign, and a number of exceptionally large gifts were received during that twelve month period.

The support of alumni and friends continues to be of the greatest importance to the Law School. To all those who have expressed that support through their charitable contributions, we extend our deep and sincere appreciation.

Gifts to UW Foundation by Class

	Number	Average	Median	Total		Number	Average	Median	Total
1923	2	\$ 62.50	\$ 62.50	\$ 125.00	1956	25	231.70	100.00	6,005.00
